**Roosevelt Tournament
November 7th & 8th, 2009**

The final tournament of the year turned out to be a cliff hanger till the very end. Everyone caught fish and as it turns out some of the heaviest weights of the year.

Huge congratulations to Floyd & Hicks. Not only did they win the tournament with a whopping 20.28 lbs but they were consistent with 10.18 lbs on Saturday and 10.10 lbs on Sunday.

The cliffhanger was the contest between the top two teams. We went into this tournament with Dominguez and Medina leading and Potts & Perry in close pursuit. It could not have finished any closer.

Potts & Perry team fished with Keith Oder in place of Mike Perry due to Perry being unable to finish the year out because of commitments. They started the tournament under stress as Potts starting battery was dead. Bobby Grissom came to the rescue with a battery which allowed Potts and Oder to start the tournament on time. A short time later they had another mishap, damage to the skeg and prop, but being the true competitors they always are they pushed on and weighed a nice limit of 5.82 lbs on Saturday. Of course Dominguez and Medina as always were quietly doing their thing and they edged ahead of Potts and Oder with a limit weighing in at 6.04 lbs.

But Sunday belonged to Potts and Oder. Being the true sportsman they are, they stopped and helped another team member that had engine trouble and could not make it back in their boat. They picked up one of the stranded team members with their fish and brought them back to the weigh-in on time.

Potts and Oder weighed in 5 fish for a total of 9.52 lbs. Dominguez and Medina weighed in 7.50 lbs. This allowed Team Potts/Perry to catch and tie Team Dominguez/Medina in the points standing for 1st Place. This was

followed by the ever consistent Thompson/LaPan and Cook/Hughes teams. All scores are posted on the Internet at www.lawmansbassclub.com.

1st Place goes to Team Potts/Perry and Team Dominguez/Medina

2nd Place goes to Team Thompson/LaPan

3rd Place goes to Team Cook/Hughes

Not only was it a great tournament but it was the best weather we have had all year. The temperatures were great, the wind wasn't blowing, and there was no rain or lightening. What a great finish to the year.

We hope to see all of you next year and maybe even a few new teams.

Thanks for all your help and sportsmanship.
